5 July 1956

25X1

**MEMORANDUM FOR: Director of Material**

**SUBJECT : Request for Adding Machine**

1. It is requested that one 10-key adding machine or calculator be obtained for use at [Redacted]

25X1

2. At present there are two on the premises. One will be packed next week for shipment elsewhere. The other belongs to one of the contractors participating at the location and is not available when needed.

3. The need is urgent and it would be appreciated if this machine could be shipped within the next two weeks.
